There's Sunshine in a Smile
~ Helen Steiner Rice

Life is a mixture of sunshine and rain,
Laughter and pleasure, teardrops and pain,
All days can't be bright but it's certainly true,
There was never a cloud the sun didn't shine through—
So just keep on *smiling* whatever betide you
Secure in the knowledge God is always beside you,
And you'll find when you *smile* your day will be brighter,
And all of your burdens will seem so much lighter -
For each time you *smile* you will find it is true,
Somebody, somewhere will smile back at you,
And nothing on earth can make life more worthwhile
Than the sunshine and warmth of a *beautiful smile*.

August celebrates National Smile Week. Everyone can benefit from a friendly smile aimed their way so let's remember to pass one on several times a day! August also celebrates Friendship Day. Who knows how many friends you can collect by smiling to people!
