

Celebrate Your Friends at The Villa by Renee Shea

How would you like to win a free Villa breakfast, lunch or dinner for four of your friends? It's as easy as pie to win, just enter our new weekly drawing by completing an entry form and dropping it in the designated box located in the dining room. The contest begins this month, so look for the box to be available the first week of August.

We will announce a new winner each week.

Here are some guidelines:

- 1 entry per resident per week.
- Winners must make reservations for their party through Renee at least one day in advance.
- Members of your party must be at least 65 years old and not current residents of The Villa.
- You can win more than once.
- You must host your dining engagement within 60 days of winning.

Renee will also present each member of your party with a special gift.

This is a good way for your friends to see The Villa and learn more about retirement living. Plus, you get to enjoy their company as you treat them to a lovely meal.

As you know, if you convince someone to move in, you receive \$1,000.00 off your next month's rent. That's better than a free lunch!

Your pals don't have to be thinking about retirement living in order to join you for the meal. We just want more people to see our great community. Perhaps your friends will know someone who is interested, and they will pass on a good word about us.

When they arrive for their meal, we may ask them if they would like to receive monthly invitations to our special events, and we will offer them our brochure. However, we will not pressure them into doing anything. They can just sit back and enjoy a good meal and great conversation with you. So rest assured, they will not feel as if they are at a time-share meeting.

So, look for the box on the ledge outside the dining room within the next few days. Good luck and bon appétit!
