### ACTIVITY NOTES

#### SOMETHING NEW:

Look into the dining room on Sunday evenings for a fun game of Rummykub. It's like playing the card game Rummy only with tiles instead of cards! If you don't know how to play someone will be sure to show you!

Patty Shoults will be leading the Reminisce program! Please join her on Wednesday, Feb. 18th and 25th at 2 pm in the TV room for a fun hour of looking back.

Since we are celebrating Chinese New Year this month why not have a fun game of Chinese Checkers on Saturday afternoons. Come to the MPR room at 2:30 and join your friends in this fun game. When was the last time you played Chinese Checkers?

Do you love poetry? Join me in the TV room on Thursday, Feb. 5th and 19th at 10 am. We'll share of love of poetry, learn about the poets and share our own original poems!
