### *Welcome to February*

Patty O'Leary, Executive Director

Hello all! I can't believe that I am already beginning to wish everyone a Happy Valentine's Day! Seems like we just had out our party hats and were wishing all a happy 2009! We have a lot going on in this very short month so make sure you are keeping an eye on the calendar for all of the events that we are planning for you! I would like to draw your attention to our Welcome Tea planned for the beginning of the month. I hope you will come to give our new residents a continued welcome! We had Margaret Anderson (127), Patricia Eberle (303) and Nancy McGahan (210) join us in January. Many of you have probably already met them but especially if you haven't I would like to encourage you to attend. We will also welcome in February, Shirley Dean (330) on February 7th, Velma Frisby (203) on February 21st, and Bill and Rose Hoette (215) on March 1st. Sadly, we had to say goodbye to 3 Villa residents, Thelma Smith, Richard Mueller, who we send well wishes, and Ruth Pepper who passed away on January 10th. We send our deepest sympathy to Ruth's family and many friends. They will all be dearly missed. On a positive note, I would like to wish each and every one of you a wonderful Valentine's Day and a happy and healthy February.

### *What Pain!!*

A gorgeous redhead goes to the doctor and says that her body hurts wherever she touched it. "Impossible!" says the doctor. "Show me." The redhead took her finger, pushed on her left breast and screamed, then she pushed her elbow and screamed even more. She pushed her knee and screamed. Likewise she pushed her ankle and screamed again. Everywhere she touched made her scream. The doctor said, "You're not really a redhead, are you?" "Well, no" she said, "I'm actually a blonde." "I thought so," the doctor said. "Your finger is broken."
