

## VILLA NEWS

Here's To Friends, Old and New  
~ Patty O'Leary, Executive Director

I believe February isn't just a month for sweethearts but for celebrating friendship. Here at the Villa I have seen strangers meet and before long a strong bond of friendship develops. Friends are so special in our lives. They are there to share our joys and sorrows, quiet times or conversations. Friends lend a helping hand as well as hand to hold. Sadly we have lost some of our friends here at the Villa. Cathy Welch passed away Jan. 29th. Mary Lundt will be staying at Stonebridge where she will receive extended care. We will be welcoming new friends, Alma Calhoun, Apt. 301, Irene Sargent, Apt 202, and Mary Vincent, Apt. 341 this month. Please stop by and welcome them to the Villa. We have a lot of activities coming up this month, the Superbowl Party, Valentine's Party, Mardi Gras and Chinese New Year to name a few! Hold out your hand in friendship and offer to escort a new resident to one of these fun activities!

### H1N1 Vaccine

Many of you have requested the H1N1 shot. We have contacted Maxim Health Care. They will be coming of Feb. 12 to administer the shots. They will be here at 10 am in the MPR room. If you want this shot and have not contacted Pam to be put on the list, please do so now. The shots are covered by Medicare Part B. If you have a HMO you can check with Pam for a list of insurance companies Maxim accepts.
