

## VILLA NEWS

### Activity Notes

~ Pam Bockhorst, Activity Director

While we all take a collective breath from celebrating the holidays, I have a few nice outings for you to enjoy.

1/5 There are so many great movies in the theaters so we are going to pick one and go see it. The decision will be tough but I'm sure we can come to an agreement on one!

1/11 If it's January it's time to go watch the eagles! We'll drive into Alton, have a nice lunch at Piasa Harbor and go to Alton dam to watch the eagles.

1/22 Our Red Hat Chapter, The Little Red Hens, will be going to lunch at Hendel's Restaurant. Remember all the ladies who live at the Villa are automatically members of The Little Red Hens!

I'd like to thank everyone who participated in the Activity Survey. I am always interested in your suggestions and comments about the activities that are scheduled. The most popular activities you picked are: Entertainments, Day trips, Shopping trips, the Botanical Gardens presentations, Wii bowling, Exercise program, Sing-a-long with Florence, Bingo and eating dinner out. Some of you expressed concern whether a program would be cancelled. As long as there is participation in a program I'll keep it on the calendar. There was a suggestion that I add the card game, Tripoli. Look on the calendar for it! Tripoli was one of my parents favorite card games! They played Tripoli with my aunts and uncles every Saturday night for years! Another suggestion was for more bus rides. We can do that too! Here's wishing all of you a fun, interesting and active 2010!
