Classified Ad: For Sale by Father: Complete set of Encyclopedia Britannica. Never been used. Teenaged children know everything.

### **Speaking From Experience**

“Dad, what’s the best thing to do if the brakes on my car go out?”

“Turn off the ignition.”

“But what if I’m going downhill at the time?”

“Hit something cheap, son...”

“You know your children have grown up as soon as they stop asking you where they come from and refuse to tell you where they’re going.” ~ Anon
