Luck Of The Irish—Patty Shoults, Resident Services

Need a little Luck? There are two good luck traditions associated with St. Patrick's Day.

- 1) A four leaf clover: Some modern day spiritualists claim that a four leaf clover releases energy and helps one's judgment. Others feel that finding a four leaf clover brings good luck.
- 2) Wear green: This color represents Ireland, the shamrock and the color for St. Patrick's Day. Traditionally each petal of the shamrock brings a wish you way. My wish for you this St. Patrick's Day is for good health, good luck, and happiness for today and everyday!

The Irish on Romance

Michael O'Shey was courting Francis Riley. The young couple sat in the parlor of the girl's home night after night, much to her father's annoyance. One night, he couldn't take it any more. Standing at the top of the stairs, he yelled down, "What's that young fell doin' here all hours of the night?" "Why Dad, Michael was just telling me everything that's in his heart!" "Well, next time," roared Riley, "just let him tell you what's in his head, and it won't take half as long."
