No Other Love Like Mother's Love  
~ Helen Steiner Rice

A Mother's love is something  
That no one can explain,  
It is made of deep devotion  
And of sacrifice and pain,  
It is endless and unselfish  
And enduring come what may  
For nothing can destroy it  
Or take that love away...  
It is patient and forgiving  
When all others are forsaking,  
And it never fails or falters  
Even though the heart is breaking...  
It believes beyond believing  
When the world around condemns,  
And it glows with all the beauty  
Of the rarest, brightest gems...  
It is far beyond defining,  
It defies all explanation,  
And it still remains a secret  
Like the mysteries of creation...  
A many splendored miracle  
Man cannot understand  
And another wondrous evidence  
Of God's tender guiding hand.
