A Time for Thanksgiving

~ Patty O'Leary, Executive Director

November has always represented a time for Thanksgiving but not just for the great dinner your parents provided when you were a kid or the great dinner you provided for your families. It means taking a look at your life and being thankful for all your blessings. The big ones, faith that God will look after you; a job that provides a roof over your head, food on the table, clothes on your back; good health for you and your loved ones. And the blessings we sometimes take for granted, good friends, a helpful stranger, a parking spot close to the store when it's raining. We also take the time to thank our veterans who have served our country and those who died in their service. These dedicated men and women stand ready for us, to protect and defend. Let's take that time and also be thankful for being here at the Villa. We have a great community of people from the residents to the staff. I'm proud of our community and everyone who lives and works here. I'd like to take this time to welcome new residents Barbara Sveritis, Apt. 140 and Charles and Melba Koons, Apt. 223. I know you will welcome them into our community. Please be sure to sign up for the Villa Family Thanksgiving Dinner on Nov. 15th! Have a wonderful Thanksgiving!
