## LABOR DAY JOKES

“Most people work just hard enough not to get fired and get paid just enough money not to quit.” ~ George Carlin

“I called a temp agency looking for work and they asked if I had phone skills. I said “I called you, didn’t I?” ~ Zach Galifianakis

“I worked as a receptionist, but I couldn’t get the hang of it. I kept on answering the phone by saying, “Hello, can you help me?”  
~ Caroline Rhea

“I work for myself, which is fun. Except for when I call in sick. I know I’m lying.” ~ Rita Rudner

Little David’s kindergarten class was on a field trip to their local police station. At one point the students passed a collection of pictures tacked to a bulletin board, of the 10 most wanted criminals. David pointed to a picture and asked if it really was the photo of the wanted person. “Yes,” said the policeman. “The detectives want very badly to capture him.” David thought for a moment and then turned to ask the police officer, “Why didn’t you keep him when you took his picture?”

### Church Bulletin Bloopers

Church Rummage Sale: A good opportunity to get rid of anything not worth keeping but too good to throw away. Don’t forget your husband.

Tonight’s sermon: What is hell? Come early and listen to the choir practice.

Next Thursday there will tryouts for the choir. They need all the help they can get.

The church dinner was like heaven. Many we expected to see there were absent.
