

Have Fun, Win Prizes, Help Children by Renee Shea

Q. Tom Selleck's first two TV appearances were on what game show?

A. The Dating Game in 1965 and 1967. He lost both times.

Did you know this bit of trivial information? Do you have other bits of useless information stored in your memory? If so, you could end up as a winner of the Florissant Kiwanis Club Trivia Night which will be held here at The Villa on Saturday, September 19th from 6:30 until 9:30.

If you have never been to a trivia night, you've been missing out on some fun. Here is how it works:

- You form a team of up to eight players.
- The emcee reads questions. Your team works to come up with the correct answer.
- There are 10 questions each in 10 different categories.
- This trivia night & quiz has a theme: Hooray for the Red, White and Blue.
- Teams can purchase Mulligans to give them instant credit on a few questions.
- Players can purchase raffle tickets in an attempt to win nice prizes (such as pearl earrings, restaurant gift certificates, a nice cooler, a \$25 gas card, and much more).
- We serve free popcorn and soda, but bring your own snacks too if you like.
- The entry fee is \$15.00 per person (\$120 per table of 8, no more than 8 people can be on a team. Those not on a team of 8 will be assigned to teams of less than 8 players.)
- A prize will be awarded to the best decorated table depicting the theme.
- The table with the most correct answers at the end of the evening will be awarded a cash prize. Door prizes are awarded too.

So gather your friends and family members and join us in a night of trivia and laughs. All proceeds will benefit children in the community. The Florissant Kiwanis Club meets here once per month, and you would not believe how much they donate to scholarships, Shriner's Hospital, Camp Wyman, and other worthy children's charities. Please help them raise money so they can continue to support the kids. Your participation is greatly appreciated. Payment is due in advance. See Renee if you wish to play.

Here's another question for you: How much money do you get off your next month's rent when you convince a friend to move to The Villa? Answer: \$1,000.00.

That's not so trivial, is it?
